## **■** BUG REPORT BP-3

in list **Duel Duo Testing** 

Labels Notifications

**Description** UNSAVED CHANGES Edit

Clicking "See All Bots" no bot card appears on page

# Steps to reproduce:

- use npm start to start the app
- navigate to http://localhost:8000
- Click on the "See All Bots" button

### **Expected result:**

• 5 bot cards will appear on the page

#### **Actual result:**

• no bot card appears

#### **Environment:**

Operating system: macOS

Browser: Google Chrome
